Second Witness Statement - Arben Leka

Interview time	23 June, 15:30
Interviewer	Review team liaison
Statement status	Supplemental

On 21 June, Arben Leka observed Nora Weiss speaking with a man beside a LuxEvent technical van. He did not hear the content of the conversation, but the interaction appeared familiar rather than purely formal.

On the fireworks night, around 00:20 near Pont Adolphe, he saw a figure in an event jacket moving quickly toward the lower buildings. He could not identify the person.

Arben states that the Albanian phrase on the recovered audio was not his voice.

Addition - Giulia Ferri

Giulia Ferri confirms that Davide Rinaldi was at Place de Glacis around the same time window covered by the recovered audio.
